WE NEED YOUR FOOD WASTE!

WEBPAGE LINK XXXXXXX

PARTICIPATION IS EASY:

- 1 Put your food waste in the kitchen caddies and liners we'll provide.
- 2 Drop off the food waste at one of the collection points.
- 3 We turn your food waste into compost and biofertiliser to grow food for school means and the Teviot Food Coop, and bioenergy for community cooking and even a community sauna!

FOOD WASTE ONLY PLEASE!

We can take all cooked/uncooked food waste
No pet waste, pet bedding, nappies, plastics, cutlery, batteries etc.

Join our Steering Group or support our Survey Group to track savings from wasting less food, we'll pay £15 p/hr for 2 hours p/m, (limited spaces) Contact us on info@madleap.co.uk or 07864 002189 to find out more.

WHATS THE BIG DEAL?

Good for your budget: an average household could save up to £1,000 a year by wasting less food

GOOD FOR YOUR HEALTH:

Keeping food waste out of general bin stores means less odour and vermin
Eating more food grown locally is healthier and supports local people

GOOD FOR THE PLANET:

Every tonne of food we don't waste saves 4 tonnes of CO₂
Every tonne of food waste we recycle saves around 400 kg CO₂
